ON CALL

Give your team the benefit of human connections.

Our team checks in with everyone in your organization weekly and schedules one-on-one Personal Conversations (PerCs) with anyone who can use support.

97%

Employees report **feeling better** following a call!

Real ROI.

2x-5x

Return on
Investment

A small investment that delivers big returns for employees & the bottom line.

Every dollar invested returns \$2-\$10 in savings.

Happier employees are more engaged.

Happy employees are less likely to leave and exhibit the following traits:

+31%

higher
productivity

3x

higher
creativity

+202%

Performance
vs. non-engaged

\$2,552

savings

Happier employees cost less.

Humana Total Well-Being findings—An improvement of just 1% on their well-being survey equated to \$2,552 savings per employee / per year.

Proactive. Preventative. Personal.

How's
it going
today?

Check-in Prompts

We want to know how every person is feeling each week so we can find out earlier than later if someone is facing something they can use help with.

Let's
connect
you with a
Listener...

Engagement Guidance

When we detect a need, we follow up to get a better understanding and provide access to a trained listener to connect - now or later. If it's serious, we'll connect right away

What
would you
like to share
today?

Relatable Listeners.

Every member has access to trained Listeners with life experiences for connections - creating a personal engagement that is built on true empathy and builds a foundation for sharing.

Real-world.

Our network of trained, empathetic Listeners connect on real-world topics.
